**Meal Replacement**

# 「 You are what you eat. 」

Eating isn't just about satisfying hunger or appetite.  
It's about providing your body with essential nutrients,  
helping you feel better and live a healthy life.

An unhealthy diet can increase the risk of developing various health issues:

**Obesity, fatigue, concentration problems,  
cardiovascular diseases, diabetes, hypertension, cancer, etc.**

# 「 Overweight & Obesity

are one of the major health issues  
concerning millions of people  
around the world. 」

**OVERWEIGHT  
POPULATION**

**TOTAL  
POPULATION**

Is your weight healthy? Check it out:

$$\text{BMI (Body Mass Index)} = \text{Weight} / \text{Height}^2$$

(weight: kg, height: m)

# How's your result?

BMI (kg/m<sup>2</sup>)

Underweight **B M I < 1 8 . 5**

Normal (Healthy Weight) **1 8 . 5 ≤ B M I < 2 4**

Overweight **2 4 ≤ B M I < 2 7**

Moderately Obese **2 7 ≤ B M I < 3 0**

Severely Obese **3 0 ≤ B M I < 3 5**

Very Severely Obese **B M I ≥ 3 5**

**Studies show that** In North America, unhealthy diets are one of the major risk factors leading to several illness and diseases including obesity and cancer.

**How can we create a balance diet that benefits our health?**

## Featured Ingredients & Key Benefits – 1

# Grains

\*These statements have not been evaluated by the Food and Drug Administration.  
This product is not intended to diagnose, treat, cure, or prevent any disease.

### **Black Sesame, Malts, Black Rice, Black Glutinous Rice, Brown Rice, and Oats**

Balance Five includes beneficial wholesome grains that are rich in various nutrients, including high fiber content, B vitamins, and minerals. A high fiber content supports a healthy bowel function and satisfies the appetite by providing a feeling of fullness, while B vitamins help the body release energy from protein, fat, and carbohydrates. These grains also contain phytochemicals that are clinically studied to benefit a healthy and balanced diet.\*

## Featured Ingredients & Key Benefits – 2

# Legumes

\*These statements have not been evaluated by the Food and Drug Administration.  
This product is not intended to diagnose, treat, cure, or prevent any disease.

### Black Soya Beans, Soybeans, Mung Beans, Gingko, and Plantain Seeds

Balance Five is also powered by legumes. In addition to B vitamins, they are a good source of minerals such as iron, calcium, phosphorous, zinc and magnesium that provide various health benefits. For those who are on a vegetarian or vegan diet, legumes are an ideal substitute for meat. They are made up of protein and carbohydrates, therefore provide your body with energy.\*

## Featured Ingredients & Key Benefits – 3

# Fruits & Vegetables
